

# My favorite artist

---

Today I would like to talk about my favorite artists. Firstly Taro Okamoto. he was a japanese artist who lived between 1911 and 1996.

I think his best famous work is the tower of the sun. it is built on huita city in Osaka. inside of the tower of the sun exists a work where is called Tree of life. it is fantastic and interesting.

Secondly my favorite artist is Salvador Dali. Because I like his performance. he did various strange performance. Forexample he often harden his beard by using candy. His the famous work is logo of chupa chups. the logo is decided by him within 1 hour. Finally my favorite artist is Gian Lorenzo Bernini. he lived in roma age. I think he is the best artist in history. He made many statue. I think his all works are a masterpiece. A statue's material look like a soft cloth. Also, he painted and his ability is also exellent.

In conclusion, I want you to see a real painting because sometimes size of painting is very big or very small. In addition, you are fascinated by painting.
